MEMORANDUM FOR: Director of Information Technology

FROM:

Director of Communications

SUBJECT: Memorandum of Agreement - The Transfer of OC
Responsibilities on the HATS Network to OIT

1. As agreed to in our previous discussions, responsibility for the Headquarters Area Transmission System (HATS) and all Washington Metropolitan Area wideband transmission networks is hereby transferred from the Office of Communications (OC) to the Office of Information Technology (OIT). Included in this transfer is authorization for OIT to expend funds from OC FAN number 79-4450 in FY-88. Action will be taken to transfer responsibility for out-year programming of funds from OC to OIT. No positions or personnel will convey with this transfer.

2. The transfer of responsibility for the domestic wideband transmission networks from OC to OIT include the following:

- Project Engineering
- COTR Support
- Liaison Activities

Responsibilities on the HATS Network to OIT

We would, of course, be
interested in keeping abreast of OIT's plans in this area. In
order to effectively transfer OC's responsibilities for the
domestic wideband transmission networks, an exchange of informa-
tion has been taking place between OC-ED and OIT. For additional
information, members of your staff may contact
Chief, Transmission Engineering Group, OC-ED, on secure extension
